WORK EXPERIENCE

Elkview Country Club   **Fell Twp, Pa**
Country Club Attendee   May 2019 - Present

As a Country Club Attendee at Elkview Country Club, I manage daily operations while providing high-quality service to over 300 members and guests each day. My responsibilities include handling member inquiries, coordinating club activities, and ensuring a seamless experience for all patrons. I am also responsible for maintaining and organizing members' golf clubs, ensuring they are cleaned and properly stored, as well as managing the upkeep and efficient operation of the club's fleet of golf carts.

Pi Kappa Phi Fraternity   **Pittsburgh, Pa**
Risk Management Chair   January 2025 - Present

As the Risk Manager for Pi Kappa Phi, I oversee the planning and execution of 1-2 events per week, each hosting over 250 attendees. My primary responsibility is ensuring the safety and well-being of all members and guests by implementing risk management protocols, coordinating security measures, and enforcing fraternity and university policies. I work closely with my executive council to assess potential risks, develop contingency plans, and ensure compliance with all regulations. Additionally, I provide education on responsible event management, crisis response, and harm reduction strategies to maintain a safe and successful fraternity environment.
